COMANCHE COUNTY 139

Comanche County, Texas

139± acres

The Comanche County 139 acres, located just 10 miles west of De Leon, Texas, is a true sportsmen's paradise offering all the attributes of a larger ranch. The land and its gently rolling topography is filled with a plethora of Hardwoods and brush species creating a natural canvas to be sculpted to fit your dreams while providing the feel of seclusion. The focal point of the ranch is a breathtaking 20+ acre lake with over 1.2 miles of shoreline providing endless aquatic recreational opportunities. Additionally, the ranch offers a 33 acre field perfect bird hunting, grazing, or wildlife food plot. Wildlife species include White-tailed Deer, Dove, Turkey, and Feral Hogs.
