TURKEY KNOB

Kendall & Kerr Counties, Texas

638± acres

Located just minutes from Boerne, Texas, this 638 acre ranch provides all the natural attributes which has made the Hill Country a popular destination. The ranch is characterized by its majestic hills offering breathtaking views and its succulent valleys with numerous springs and the head waters of Privilege Creek. The creek meanders through the property for over a mile providing life to an array of plants and wildlife species while creating a plethora of recreational opportunities. Additionally, the ranch offers 3 lakes to add to the aquatic enjoyment of the ranch. All weather roads provide access through-out the ranch.
