

An aerial photograph of a vast, flat landscape covered in dense, low-lying green and brown shrubs. A dirt road winds through the center of the field. In the distance, a few small buildings and a larger structure are visible on the horizon. The sky is a gradient of orange and yellow, with a bright sun setting on the right side.

DIAMOND G RANCH

DIAMOND G RANCH

995± ACRES • KINNEY COUNTY • BRACKETTVILLE, TEXAS

Diamond G Ranch is located just outside Brackettville with approximately 1.3 miles of frontage along FM 2523. Twenty minutes from Lake Amistad. The ranch has a 5-bed, 4-bath modular home with a large, covered porch and a stunning view of the South Texas Hilltops. The water well located at the house supports miles of water throughout the ranch. That includes 6 water Stations, and 10 water troughs. Soaring hills at the back of the ranch provide a commanding view of the entire ranch. Diamond G has infrastructure that allows access to all corners of the ranch. The Diamond G Ranch has been meticulously maintained. The ranch offers great South Texas brush diversity that provides excellent habitat for the South Texas Whitetail Deer, Blackbuck, Rio Grande Turkey, Dove, and Quail on the ranch. The ranch has been in MLD Level 3 for years. The Diamond G offers 22 corn feeders, 6 protein feeders and 12 hunting blinds set up for rifle and bow.
