## Lagarto Creek Ranch

241 Acre / Jim Wells

The 241 acre Lagarto Creek Ranch is located just 24 miles south of George West, Texas. The ranch and its native brush species, rolling topography and fertile soils offer all the attributes to create your dream ranch. The gently rolling terrain is scattered with Oaks, Mesquite and an array of highly nutritious brush species. The wet weather Lagarto Creek meanders through the middle of the property. The ranch offers two older homes, 2 water wells, cattle pens, and barn. Wildlife includes White-tailed Deer, Quail, Dove, and Feral Hogs.
